

A card **HoB** -tits oignons

This menu reflects who we are : a lively home, authentic homemade cooking, and a simple yet essential desire to give you a wonderful time.

Here, nothing is left to chance. Led into the kitchen **by Mélissa, our head chef, and Kenzo**, our menu highlights seasonal ingredients, sourced from our local providers - from our village and our region whom we proudly support.

Every plate tells a story of flavor, connection, and place.
